

TERM 1 HOTSHOTS TENNIS: AFTER SCHOOL PROGRAM

ENROL TODAY!

Dear Parents/Students

The Foundation Tennis Development coaching team is excited to announce that they will be offering the popular ANZ Hotshots Tennis Program after school for St Joseph's Primary School students in term 1. We have conducted successful day clinics at the local schools around Adelaide and, due to their popularity, we would like to offer all St Joseph's students the chance to develop their tennis skills. The Hotshots program refers to the modified tennis program, allowing fundamental perception and motor skills to be developed that not only helps with tennis but all sports.

Operating out of the nearby Reade Park Tennis Club, the coaching staff at Foundation Tennis Development were trained and formed by internationally renowned tennis coach Jack Reader. Jack has coached multiple top 20 ATP players and has provided us with a vast amount of knowledge to be able to coach at a variety of different skill levels from beginners through to advanced.

Details of the after school hotshots program will be as follows:
