

Naturally Smart Coffee

Helping People Helping the Planet One Cup at a time

Dear Families/Caregivers

We are proud to be able to offer families and friends of St Joseph's School Kingswood products from Naturally Smart Coffee Company. Naturally Smart Coffee makes and sells ethically sourced and produced coffee beans right here in Adelaide. These coffee beans are hand-roasted and produce a rich but rounder flavour profile. Naturally Smart Coffee also sells totally compostable coffee pods.

You can now purchase these products from our school. Orders can be made in Weeks 1-4 & 6-9 in each term with delivery dates in weeks 5 & 10. Deliveries will be handed to your oldest child to be taken home. As an example, if you made an order in week 3 of a term it will be delivered home in week 5.

St Joseph's Kingswood makes a nominal fee from all purchases that we will combine with the P&F fund raising efforts throughout the year. Below is the list of products and prices that you can order from now on the QKR app.
