

Festival Review Form

Festivals and **Annual Celebrations** are held across South Australia all through the year. Book Week and National Science Week are examples of an annual celebration that takes place in schools, libraries and community centres.

If you have recently attended a festival event, complete the Review Sheet below. Return the review to your CU Coordinator to earn 60 minutes in your *Passport to Learning*.

Name of Festival or Annual Event:

How would you describe this event to someone who wants to go?

Tell us what you liked about this event

Draw a picture or share a photograph of the events/activities you participated in.
